Based upon each patient's prescription plan, additional questions may be required to complete the prior authorization process. If you have any questions about the process or required information, please contact our prior authorization team at the number listed on the top of this form.

Prior Authorization of Benefits is not the practice of medicine or a substitute for the independent medical judgment of a treating physician. Only a treating physician can determine what medications are appropriate for the patient. Please refer to the applicable plan for the detailed information regarding benefits, conditions, limitations, and exclusions.
